SOEP 2024 - 15th International

German Socio-Economic Panel User Conference

Berlin, July 4-5, 2024

The 15th International German Socio-Economic Panel User Conference (SOEP2024) will be held in Berlin from **July 4 to 5, 2024 at Berlin-Brandenburg Academy of Sciences and Humanities (BBAW)**. At the same time the conference marks SOEP's 40th anniversary.

The conference provides researchers who use the SOEP (including the SOEP part of the Cross-National Equivalent File (CNEF), LIS/LWS data, SOEP-IS, and the SOEP-EU-SILC Clone) with the opportunity to present and discuss their work with their peers. Researchers from **all disciplines** (e.g., economics, demography, geography, political science, public health, psychology, and sociology) are invited to submit an abstract.

We particularly welcome contributions examining the **individual and collective responses to a changing world**. In addition, we encourage submissions beyond this thematic focus, particularly submissions using the **longitudinal features** of SOEP and submissions on **survey methodology** and **cross-national comparative analysis**.
